Dear Patient

Thank you for your interest in registering with the Doctors at Ash Grove Medical Centre.

In order for you to become fully registered with the Practice, we ask you to complete the attached forms, one set per family member. These allow us to obtain your medical records from your former doctor and help us to set-up your patient record with us. Depending on the geographical location of your former doctor it can take several weeks / months for us to obtain your records so our doctors rely on the information you give to us. Please fill in the forms with as much information and as accurately as you can.

Please note we require two forms of identification, these need to be either a passport or driving licence (photo ID) and a recent utility bill or bank statement with proof of your current address. Without these we cannot register you at this surgery.

Please complete ALL questions, failure to do will delay your registration with the practice.

Yours Faithfully

Jo Hewlett
Practice Manager
On behalf of Ash Grove Medical Centre
